Subject: Follow-up with [Ex. 3 (CERCLA section 104(e)(7)(42 USC 9604(e)(7)))]

Hi guys,

I just wanted to let you know that I called [Ex. 3 (CERCLA section 104(e)(7)(42 USC 9604(e)(7)))] who was able to confirm for me that they are indeed able to show us the manufacturing process for crumb rubber, the 30- mesh, that is used for synthetic turfs. I asked him whether he would be able to accommodate a tour in the next 2 or 3 weeks, and we agreed that I propose a few times.

Please let me know if we are all on board, and who the potential attendees are, including ORD, so that I pay attention to everyone's schedule.

Thank you,
Ksenija
